

people eyes
white ya pretty time
lonely home heaven dancing
head soul hope fall boy you're stars stay
days live waiting dreaming tonight
hell hands hear sun heart dance noise
god day i'might told hold past makes ground
cry chorus arthur video boys mine year crawl jah bad tomorrow
sweet care sky wall watch fire it's life red kiss
dream break city play whoop mind star burn hey dead
street walk world sound fear town golden coming
beat change left feel hand don't lose song hard bang girl
run night ch till smile blue
machine baby space you've
black gonna
love
